EDUCATION

University of Virginia   Charlottesville, VA
Bachelor of Arts in Computer Science   Expected Graduation: 2021
- Cumulative GPA: 3.8

WORK EXPERIENCE

Impact Makers Inc.   Richmond, VA
Intern   Summer 2017
- Worked with the IM Connect team to help set up an automated testing framework for a web app using the Nightmare JavaScript automation library and gained valuable experience in Agile and Scrum.

Maggie L. Walker Governor's School Mentorship Program   Richmond, VA
Mentee   2016–2017
- Worked with a University of Richmond computer science professor to build an iOS app and conducted research on how the development process and app performance is affected by using the React Native framework instead of conventional methods.

DriveFactor Inc.   Glen Allen, VA
Intern   Summer 2014
- Built a web application using Python, JavaScript, HTML, and SQL which meaningfully displayed telematics data hosted on AWS.

SKILLS

Programming Languages   JavaScript · Python · LaTeX · HTML · CSS

Languages   English · Spanish · Hindi · Japanese

COMMUNITY SERVICE

Music Orchard   Richmond, VA
Mentor   2013–2017
- Provided pro bono private saxophone lessons to elementary school children.

Sacred Heart Center   Richmond, VA
Volunteer   2016
- Entered attendance records into a database, called students in Spanish, and helped Spanish-speaking adults with GED preparation in the computer lab.
